REPORT OF THE NORTH CAROLINA MEDICAL CARE COMMISSION
Flora Wakefield, R. N., Representative
N. C. State Nurses' Association on the N. C. Medical Care Commission

Today, when one travels through the cities, small towns and rural areas of North Carolina he is impressed by the modern hospital buildings and new health center buildings throughout the state. Ten years ago one did not see modern hospital buildings except perhaps in a few of the larger cities; and, at that time, housing facilities for health centers were either in the basement or attic of the courthouse or in some inadequate county-owned building.

Much of this improvement has been made possible by the hospital and allied health facilities' construction program which is the major activity of the North Carolina Medical Care Commission.

The Federal Hospital Survey and Construction Act, Public Law 725, commonly known as the Hill-Burton Act, became law August 1946. It authorizes grants to the several states, "(a) to inventory their existing hospitals, to survey the need for construction of hospitals and to develop programs for construction of such public and non-profit hospitals as will in conjunction with existing facilities afford the necessary physical facilities for furnishing adequate hospital, clinic and similar services to all their people; and (b) to construct public and other non-profit hospitals in accordance with such programs."

Under the U. S. Hospital Survey and Construction Act of 1946. The following categories of medical and hospital facilities are now eligible for aid toward the cost of their construction and equipment: (1) general hospitals, (2) ✓ nurses' residences, to serve general hospitals, (3) health centers to house county health departments, (4) chronic diseases, tuberculosis, and mental hospitals, (5) diagnostic and/or treatment centers for ambulatory patients, (6) nursing homes for the care of patients not acutely ill but in need of medical and/or skilled nursing care, (7) rehabilitation facilities to provide medical, psychological, social and vocational rehabilitational services to handicapped or disabled persons.

North Carolina is one of the few states which provides state funds for local hospital projects. State funds for hospital construction are utilized in the

economically disadvantaged counties to help them match the federal share (50%) of the cost of construction.

The state aid ranges from zero percent of the cost of the project for the wealthiest counties to 33.3 percent of the cost for the counties having the most limited financial resources. The amount of aid a county receives is determined on the basis of the county's per capita income tax payments averaged for six years.

The present Congress (1957) continued federal support of the original Hill-Burton Program for the fiscal year 1958 by appropriating \$99,000,000 for the construction of hospitals, health centers and nurses' residences. The allocation to North Carolina from this appropriation is \$4,334,784. In addition, Congress in 1957 approved \$21,000,000 for the construction of: (1) chronic disease hospitals, (2) diagnostic or treatment centers, (3) nursing homes, and (4) rehabilitation facilities. The allocation to North Carolina from this appropriation for special medical facility projects totals \$698,994 for the fiscal year.

The N. C. General Assembly appropriated \$750,000 to the N. C. Medical Care Commission for the biennium beginning July 1, 1957 for aid toward the cost of construction of needed local hospitals, clinics, and health centers.

Since federal and state funds first became available in 1947 until June 30, 1957, 211 projects had been completed. These consisted of: (1) 92 local general hospitals including 43 new hospitals and 49 additions to existing hospitals with a total of 4,657 additional hospital beds; (2) 9 state-owned hospitals, 2 new and 7 additions to existing hospitals with a total of 727 new beds; (3) 69 health centers; (4) 39 nurses' residences; (5) 2 diagnostic and treatment centers.

Under construction July 1, 1957 were 28 projects consisting of: (1) 20 local general hospitals including 1 new hospital and 19 additions to existing hospitals, (2) 1 addition to existing state hospital, (3) 4 health centers, (4) 1 nurses' residence, (5) 1 addition to existing rehabilitation center, and (6) 1 new chronic disease hospital.

There were also on July 1, 1957 24 projects in the planning stage.

The total cost of the projects completed, under construction, and planned will be \$105,084,379. With the federal share \$39,674,034, state \$17,327,649, and the local \$48,082,696.

North Carolina's urgent need, besides supplying its rural areas with local general hospital beds, is to replace or modernize the hospital buildings that are substandard or non-fire resistant.

Facilities are also needed for the diagnosis and treatment of ambulatory patients in both rural and urban areas. The need includes facilities for the care of patients with chronic illness, for the rehabilitation of handicapped and disabled persons and nursing homes.

Another activity of the North Carolina Medical Care Commission is to provide financial aid, furnished by state appropriation, toward the cost of hospitalization of medically indigent patients. During 1956, the Commission paid \$277,818.50 to 135 North Carolina hospitals that provided hospitalization

for a total of 17,053 medically indigent cases.

The General Assembly of 1955 amended the State Hospital Licensing Act to include the licensing of (nursing) convalescent homes by the Commission. Seven nursing homes have been licensed by the Commission, and a number of applications for licensing are being considered.

In an effort to provide the rural area of North Carolina with medical practioners, the 1945 Legislature authorized the Commission to administer a Student Loan Program designed to provide loans to medical students who agreed when their training was completed to practice for at least four years in rural communities or towns that have a population not exceeding 2,500 people. In 1947, the rural program was expanded to include, in addition to medical students, students of dentistry, pharmacy, and nursing.

In 1953, another Student Loan Program was provided for by the Legislature. This program made loans available to students of medicine and of nursing who agree to practice after graduation for designated periods in state-owned mental hospitals. It was broadened by the 1957 Legislature to include loans for graduate students in sociology and psychology who agree to serve in state-owned mental hospitals upon the completion of their approved training. This type of loan can be liquidated on the basis that one year's loan will be canceled by one year of service in a state hospital. Loans have been granted to 131 students. Of these, 14 enrolled in the state-owned mental hospital programs and 117 in the rural programs.

Eighteen students of medicine and 2 students of dentistry have completed their training and are now practicing in rural areas. In addition, 20 physicians and 7 dentists have also completed their training and will begin rural practice as soon as they complete their internship and the required two years of military service. Sixteen nurses have used the rural loan--5 have completed training, 7 are still in school, and 4 did not finish training.

The rapid population growth in the state and the steady increase in the use of hospitals add greatly to the task of supplying additional facilities and trained personnel rapidly enough to meet the need.

Much has been accomplished since 1947, but there is still a lot to be done if we in North Carolina accomplish the goal set for us by the Hill-Burton Act of 1946, a portion of which states: "afford the necessary physical facilities for furnishing adequate hospital, clinic, and similar services to all the people."

NORTH CAROLINA COMMITTEE ON NURSING AND NURSING EDUCATION

Lelia R. Clark, R. N., NCSNA Representative

The North Carolina Committee on Nursing and Nursing Education has held its regular quarterly meetings in the Conference Room of the North Carolina Medical Care Commission, Raleigh, North Carolina, during the past year.

Officers elected for the year beginning July 1, 1957, are: Mrs. Mary K. Kneedler, Chairman; Mr. James DeVane, Vice Chairman; Mr. Joseph Barnes, Secretary; Miss Hazel Taylor, Assistant Secretary.

The terms of several members expired on June 30, 1957. The following new members were elected for a three-year term: Mr. Murray Thornburg for another

term representing the Department of Public Instruction, Dr. James E. Hillman for another term representing the N. C. College Conference, Chancellor Robert B. House for another term as a public member, Mr. Ray Jimison to replace Mr. Stanley Moore as a public member, Mrs. William C. Pressly for another term as a public member, Dr. J. Lem Stokes for another term as a public member, Mr. W. J. Kennedy to replace Dr. Russell Dicks as a public member. Mrs. George L. Carrington was elected for a two-year term to expire June 30, 1959, replacing Dr. Joseph L. Lichty as a public member.

The following subcommittees have been appointed for the year 1957-58; Schools of Professional Nursing - Miss Joyce Warren, Chairman, Mrs. Elizabeth Carrington, Dr. W. J. Kennedy, Jr., Dr. J. Lem Stokes; Schools of Practical Nursing - Mr. M. D. Thornburg, Chairman, Miss Hazel Taylor, Miss Flora Wakefield; Public Relations and Recruitment - Mr. Joe Barbour, Chairman, Dr. Robert House, Dr. James Hillman, Mr. Ray Jimison, Mrs. William C. Pressly; Scholarships and Loan Funds - Mr. Julian Allsbrook, Chairman, Mr. James DeVane, Miss Sue Kerley, Dr. D. T. Smith; Task Force - Mr. George P. Harris, Chairman, Miss Lelia Clark, Dr. William P. Richardson. Miss Flora Wakefield was appointed to serve as a representative of this Committee on the State Advisory Committee on Practical Nursing.

Interesting and enlightening reports from the subcommittees and invited guests, during the year, have done much to broaden the knowledge and understanding of the membership and to stimulate a more decided interest in nursing and nursing education in this state.

Reports in regard to Schools of Professional Nursing have been both enlightening and challenging. Recruitment efforts throughout the state seem to be improving but still leave much to be desired. In October, 1956, there was a total of 2,985 student nurses in 35 schools as compared to 2,997 in 1955. During 1956, 672 students were graduated. A & T College graduated its first group from the collegiate program in June 1957. Lenoir Memorial Hospital School of Nursing in Kinston, North Carolina, is in the process of reactivating and will reopen September 1957. Woman's College of the University of North Carolina is making progress in setting up a modified three-year program for the training of professional nurses in connection with Moses H. Cone Memorial Hospital.

Pfeiffer College has worked out its program whereby ten nursing students at Pfeiffer College get their clinical experience at Rowan Memorial Hospital, Salisbury. There are thirty students enrolled.

At the present time, there are seventeen states in which a two-year program for professional nurses can be operated under the State Law.

From the many discussions held during the year, the members of the Committee agree that the pattern in the field of nursing education is an ever-changing one.

There were many new and valuable changes in the Practical Nurse Program in the state also. In October of 1956, Mr. Murray Thornburg reported that \$2,000,000 had been appropriated by Congress for practical nurse education in the United States. In order to participate in this program, the State of North Carolina put up some money; and a full-time supervisor, Miss Miriam Daughtry, was appointed. Plans for the extension and improvement of practical nurse training in North Carolina is underway.

Fifteen schools of practical nursing have opened since 1948. Today there are nine in operation with 215 students enrolled. Only two of these are of the

original group. From June, 1947, through December, 1956, 4,840 practical nurses have been licensed by the state. Of these, 2,523 were licensed by waiver, 125 by reciprocity from other states, 892 by examination (school graduates), and 1,302 by examination (waiver). As of March, 1957, there were 3,973 practical nurses currently licensed in North Carolina.

Nineteen refresher courses for 216 licensed practical nurses have been given across the state. Two postgraduate courses in operating room technique are being offered to practical nurses interested in this work.

Despite progress made, there remain many problems regarding the practical nursing program. Recruitment in certain areas because of salary differentials, lack of adequate classrooms and competent instructors, and the lack of knowledge on the part of hospital authorities and the public are only a few which must be met.

The Scholarship and Loan Fund Committee had a busy year. At the January meeting a decision was made to place a request for scholarships and loan funds for nurses before the 1957 Legislature. Unfortunately, the work of this Committee, in promoting appropriation of funds for nursing scholarships by the General Assembly, was misinterpreted by other groups; and the Committee deemed it best to discontinue its efforts during the 1957 Legislative Session.

Mr. Allsbrook, Chairman of the Scholarship and Loan Fund Committee, was authorized to contact presidents of other allied groups such as the N. C. Hospital Association, the State Medical Society, the State Nurses' Association, North Carolina League for Nursing, etc., and to request an official representative from each group to serve on the Committee during the next year.

The Subcommittee on Care of the Patient, following a year of indecision and much discussion as to its purpose and scope, presented three alternative recommendations to the parent Committee at the October, 1956, meeting for consideration. After considerable discussion, the Committee voted to go on record as approving the recommendation to establish in North Carolina a Committee for the Improvement of the Care of the Patient under the sponsorship of the North Carolina Hospital Association, the Medical Society of the State of North Carolina, the North Carolina League for Nursing, and the North Carolina State Nurses' Association.

Presidents of the above organizations were contacted, and the North Carolina Committee on Nursing and Nursing Education is happy to report that the Committee for the Improvement of Care of the Patient is now established. The following people have been appointed by their respective groups to serve: Medical Society—Dr. H. L. Brockman, Dr. D. T. Smith; North Carolina Hospital Association—Mr. Joseph Barnes, Mr. James DeVane; North Carolina League for Nursing—Mrs. Mary Kneeder, Miss Caroline Keller; North Carolina State Nurses' Association—Miss Dorothy Robinson and Mrs. Edith P. Brocker.

A word from the special "Task Force" Committee appointed to review the purpose, scope, and functions of the North Carolina Committee on Nursing and Nursing Education. This special Committee reaffirmed the justification of the existence of the North Carolina Committee on Nursing and Nursing Education and felt that it should continue to function as such. It was pointed out that the Committee serves as a clearing house of information to the representatives of the various organizations; that the educational value to various members (including public) will become increasingly more important as time goes on. It

was pointed out also that the Committee is now operating on a sound basis in that the full effect of a rotating board is just beginning to be felt.

The special committee further suggested that the major project selected each year on which to place specific emphasis, such as recruitment, increasing membership in the League for Nursing, promotion of scholarships and the like would be of value to all members.

Last, but not least, there is still some confusion as to the sponsorship of the Committee on Nursing and Nursing Education by the Medical Care Commission. The Medical Care Commission will be approached again to see if perhaps better working relations may be developed.

The Membership of the Committee on Nursing and Nursing Education is an interested, active membership and is looking forward to another full year of working toward a broader understanding of nursing and nursing education in North Carolina.

REPORT OF COMMITTEE ON CONSTITUTION AND BYLAWS

Mrs. Isla C. Norfolk, R. N., Chairman

Other members of this committee are: Mrs. Fannie Slade, Biltmore, and Mrs. Gladys Miller, Winston Salem.

The Bylaws of NCSNA (revised in October, 1956) and the rules of sections have been published in an attractive booklet. They have been distributed to all officers and committees of the NCSNA and District Associations. It is hoped that those leaders who have received these booklets will safeguard them and pass them on to successors. Should minor revisions be necessary, we would hope to make inserts in these booklets rather than have the expense of publishing complete new booklets.

Amendments to the Bylaws of many district associations have been reviewed and approved to conform with the NCSNA Bylaws.

REPORT OF COMMITTEE ON FINANCE

Mrs. Eva W. Warren, R. N., Chairman

Other members of the Committee are: Mrs. Elizabeth Lowrance, Pinetops, and Mrs. Polly Tillman, Greensboro.

The Committee on Finance met in Raleigh on October 11, 1957 for the purpose of reviewing the expenditures and studying the budgetary needs of the Association for the year October 1, 1957 to September 30, 1958. The budget was formulated and submitted to the Board of Directors of the Association for consideration at the annual meeting on October 22, 1957.

In considering the budgetary needs of NCSNA for its varied program, the Committee was fortunate in having the counsel of the President, Mrs. Margaret B. Dolan, throughout the meeting.

The income, budget, and expenditures of the Association for the past year (October 1, 1956 - September 30, 1957) are as follows:

REPORT OF COMMITTEE ON LEGISLATION
Atha Howell, R. N., Chairman

Other members of the NCSNA Committee on Legislation are: Mrs. Edith P. Broucker, Chapel Hill; Mrs. Eloise Lewis, Chapel Hill; Miss Margaret Mitchell, Durham; Mrs. Maude Morgan, Asheville; Mrs. Frances Burfoot, Elizabeth City; Mrs. Xonie Ruth Adams, Charlotte; and Mrs. Audrey Stapleton, Greensboro. A meeting of this Committee was held in Headquarters Office on January 11, 1957.

1957 was a very active legislative year for NCSNA. The Association vigorously supported the seven-point legislative program of the State Legislative Council, of which NCSNA is a long-time member. The following measures were included:

1. Extension of the jurisdiction of juvenile courts to 16-year-old first offenders.
2. A state minimum wage law.
3. Strengthening the marriage laws, with respect to age, by requiring a birth certificate or birth card as proof of age.
4. Providing driver education in all high schools.
5. Financial separation of the Prison Department from the State Highway and Public Works Commission.
6. An appropriation for public school attendance workers.
7. Require specific plans for the custody and support of children under 18 years of age before their parents may obtain a divorce.

Three of these proposals were passed: the driver education law, the prison separation law, and a measure strengthening the marriage law by requiring young applicants to present a birth certificate as proof of age.

In addition to the State Legislative Council program, there were several measures introduced in the General Assembly that concerned nurses a great deal. In the biennial Revenue Bill, a municipal occupational tax was proposed. We felt such a tax was asking too much of nurses, since they pay an initial registration fee to the state for the privilege of practicing and an annual State license renewal fee. Therefore, opposition by NCSNA was registered to this provision of the bill, in the form of personal letters to members of the Joint Finance Committee, and this proposed tax was removed from the bill before it was reported out of committee. Extension of the state sales tax, beginning July 1, 1957, to certain areas not previously covered is of concern to the Association. Under the new extension, there is a three per cent sales tax on all printing. Thus the increased cost of publishing our magazine and other Association materials, such as bylaws and minimum standards, is a big budget item.

Introduced in the General Assembly's House of Representatives was a bill entitled, "An Act Establishing a School for the Training of Nurses to be Established at East Carolina College and Making an Appropriation of \$70,000 for the First Year of the Biennium and \$100,000 for the Second Year for the Maintenance Thereof." NCSNA took no action to oppose or support this bill. It was never reported out of committee.

NCSNA continued its effort of recent years to promote legislative interest in state funds for scholarships for nurses. With the active and vigorous backing of NCSNA, the efforts were spearheaded this year by the Subcommittee on Scholarships of the Committee on Nursing and Nursing Education, organized by the

Medical Care Commission. Mr. Julian Allsbrook of Roanoke Rapids, a former State Senator, is chairman of the Subcommittee, which held several meetings during the General Assembly. Representatives of NCSNA, North Carolina League for Nursing, North Carolina Hospital Association, and Medical Society of North Carolina attended the meetings, along with several lawmakers who had endorsed the bill to establish a School of Nursing at East Carolina College. Although no bill was introduced to provide scholarships for nurses and none were made available, we felt some progress was made in stimulating general interest in the need for such funds and in understanding of nursing education problems.

At the 1956 annual meeting of the NCSNA Board of Directors, action was taken authorizing the appointment of a committee from the NCSNA Board to meet with representatives of the North Carolina League for Nursing to discuss a possible course of action regarding the creation of several basic nursing programs in North Carolina colleges. The Board action further called for the two committees to confer with Dr. Harris Purks, director of the State Board of Higher Education regarding this matter. This conference with Dr. Purks was held, with Mrs. Margaret Dolan, president, and Mrs. Edith Brocker, representing NCSNA. They reported that Dr. Purks was much interested in the discussion of recent trends in nursing education, and he indicated awareness of the need for a study in this area.

On the Federal level, your Committee on Legislation supported the ANA request to Congress to appropriate \$1,000,000 more for each of Titles I and II of Public Law 911, which provides traineeship funds for nurses and for public health personnel, including nurses. The amount supplied last year, for the first time, was inadequate to meet the requests and needs for more and better prepared nurses and public health personnel. I am sure, as you were aware of this need, you made known your wishes to our representatives in Congress, as did your Committee on Legislation and personnel of Headquarters Office. This was evident by the approval of these requests. Title I providing traineeships for specialists in public health received an appropriation of \$2,000,000. Title II, providing nurse traineeships to prepare supervisors, teachers, and administrators, received an appropriation of \$3,000,000. This is an excellent example of what can be done when we keep ourselves informed and let our Congressmen know how we feel.

Your Committee on Legislation wishes to emphasize the need for the nursing profession to continue focusing attention on areas in both federal and state legislation where improvement is needed in labor relations laws. These improvements are necessary if we are to appreciably alter the economic conditions of members of our profession. In the area of federal legislation, ANA has placed among the most pressing needs the amendment of the Taft-Hartley Act so as to remove the exemption of non-profit hospitals from mandatory collective bargaining. Similar laws are needed on the state level, and we must continue to promote the adoption of a minimum wage law in North Carolina. The effects of a minimum wage law on the general economy would be reflected upward to the benefit of nurses. The extension of coverage under Workmen's Compensation laws to include private duty nurses working in a covered institution, more complete coverage for nurses under unemployment insurance laws, and adoption of disability insurance laws are areas in which nurses can work together to achieve better economic conditions for their own profession as well as for workers in general.

REPORT OF COMMITTEE ON NOMINATIONS
Hildred Harrison, R. N., Chairman

Other members of this Committee are: Frances Allen, Hickory; Mrs. Kathryn T. Peebles, Raleigh; Thelma M. Ingles, Durham; and Ann Rhodes, Charlotte.

The Committee met on June 6, 1957, in Headquarters Office, Raleigh, to nominate officers for the North Carolina State Nurses' Association for 1957. Prior to this meeting, district associations were requested to make suggestions. Replies were received from seventeen districts. Suggestions from several districts were received after the Committee meeting. Every effort was made to select several able candidates for each office, representing geographical areas, sections, and districts.

We wish to thank the nominees and the members of the district associations who sent in suggestions for their cooperation. Also, we wish to recommend that in the future every district association submit suggestions for nominees for NCSNA officers not later than the first of June.

The Nominating Committee presents the following list of nominees for officers for North Carolina State Nurses' Association for the coming year:

REPORT OF COMMITTEE ON PROMOTION OF PROGRAM, PUBLIC RELATIONS, AND MEMBERSHIP Julia Fisher, R. N., Chairman

Other members of this committee are: Mrs. Eunice Seaborn, Asheville; Mrs. Helen Morse, Durham; Emily Campbell, Durham; Mrs. Hazel S. Hoffman, Fayetteville; Mr. Howard E. Williams, Durham; Mrs. Elizabeth Lowrance, Pinetops; Mrs. Betty Bone McLeod, Candor; Martha Adams, Winston Salem; Ruby Dameron, Charlotte; Mrs. Mozelle Baker, Greensboro; and Mrs. Betty Chapman Eller, Greensboro.

This Committee met in Raleigh on January 8 and May 2, 1957. The main purpose of the May meeting was to outline the program for the 1957 NCSNA Convention. The program was sent to each member through the September issue of the Tar Heel Nurse.

At the January meeting, plans were outlined for a "Continued Membership Campaign" through March 31, 1957. Each district was asked to appoint a Membership Committee with subcommittees as needed and to organize campaign to fit the district needs. District were requested to send campaign results to NCSNA Headquarters prior to April 15 so that special recognition could be given through the Tar Heel Nurse and at the convention in Asheville.

Eleven districts responded at the end of the campaign:

District Four---Engaged in a variety of activities for the campaign showing an increase in membership and 18 new members. Membership chairman--Mrs. Jean L. Gilleland; others , Mrs. Alethia Andrews, Mrs. Frank Haithcox, Mrs. Nora White, Maxine Mike, and Mrs. Betty Horton.

District Five---Reported an increase of 46 members. Membership Chairman--Mary McRee.

District Eight---Reported using a special membership invitation. Membership Chairman--Fannie Dean.

District Ten---Reported an increase in membership of 8. Members of Campaign Committee--Mrs. Bonnie Smith, Mrs. Doris Nichols, and Faye Simpson.

District Twelve---Reported no increase in membership.

District Fourteen---Reported a membership increase of 4. Membership Chairman--Margaret D. Mims.

District Fifteen---Membership Chairman--Margaret Evans. Reported no increase in membership.

District Eighteen---Reported 2 hospitals with 100% membership: Wayne Memorial, Goldsboro, and Eastern North Carolina Sanatorium, Wilson. Membership Chairman--Onnie W. Whitley.

District Twenty-one---Reported an increase in membership of 11. Members of Campaign Committee--Mrs. Tom Davis, Pink Hill, and Mrs. Mary W. Bellinger, Kinston.

District Twenty-three---Reported 100% membership in Cherokee-Clay-Graham District Health Department. Membership Chairman--Florence M. Thompson.

District Twenty-six---A new district reported a membership of 44 of which 31 were brand new members.

At the request of the members of this Committee, the chairman contacted Miss Vivian Culver, Executive Secretary of the North Carolina Board of Nurse Registration and Nursing Education, relative to a revised list of registered nurses in North Carolina. It was believed that such a list would enable the districts to contact all registered nurses regarding membership. Miss Culver replied that the matter would be brought to the attention of the Board at its June meeting. Lists of nurses registered in North Carolina (by counties) have not yet been made available.

The Committee also discussed both internal and external public relations and it was agreed that present methods should be continued and expanded when possible.

NCSNA membership must grow every year to increase financial resources to finance the expanding Association program. Membership campaign efforts throughout the year have emphasized that the individual member is the Association's best public relations tool!

REPORT OF SPECIAL COMMITTEE ON NURSING IN MEDICAL CARE PLANS

Alma Kermon, R. N., Chairman

Other members of the committee are: Lake Allen, Greensboro, and Mrs. Roberta Crenshaw, Charlotte.

This year has seen a general increase in interest and concern throughout North Carolina regarding the need for inclusion of nursing services in pre-paid medical care plans. Both non-profit medical care plans operating in North Carolina have announced that they anticipate offering an "extended benefits plan" which would include private duty nursing benefits.

A study was completed this year in the area of chronic illness by the Subcommittee on Care of the Chronically Ill of the Health Committee, Conference for Social Service. The Executive Secretary of NCSNA is a member of this subcommittee. The study revealed that a number of organizations and agencies dealing with chronic illness and its problems believe one of the major needs in

this area is inclusion of private duty nursing in hospitals, home medical care, and private duty and public health nursing care in the home in pre-payment medical care plans.

Your Committee calls attention to facts from a survey released this year by ANA which shows the extent to which private duty nursing benefits are being adopted by Blue Cross plans operating throughout the country. Seventeen Blue Cross plans in 15 states and the District of Columbia this year reported they have adopted an "extended benefits plan" which includes benefits for private duty nursing care; nine plans in seven states, including two in North Carolina, reported they anticipate offering private duty nursing benefits and have developed their programs sufficiently to report specific provisions.

REPORT OF SPECIAL COMMITTEE ON NURSING IN NATIONAL DEFENSE

Mrs. Fannie M. Slade, R. N., Chairman

Other members of the Committee on Nursing in National Defense are: Ruby Wilson, Durham; Christine Irving, Asheville; Mrs. Helen Morse, Durham; and Mrs. Billie Murrell, Jacksonville.

The Committee has not met this year, but members have been notified of activities on the National Level. All nurses have been urged to participate in local Civil Defense activities. Members of the Committee have also been informed as to new material on Civil Defense and where it can be obtained for teaching and for use in program planning.

The chairman has attended all local meetings on disaster and has participated locally as Red Cross Disaster Chairman of Red Cross Nurse Volunteers.

Copies of the new folder, Civil Defense and The Nurse, have been sent by Mr. R. C. Nichols, Deputy Director, State of North Carolina Council of Civil Defense, to all districts for distribution to members.

REPORT OF SPECIAL COMMITTEE ON PROFESSIONAL COUNSELING AND PLACEMENT SERVICE

Ruth Council, R. N., Chairman

Other members of the Special Committee on Professional Counseling and Placement Service of NCSNA are: Mrs. Alice Harwell, R. N., Wilkesboro; Mrs. Katherine Lawson, R. N., Roxboro; Lorene Bates, R. N., Durham; Mrs. Ella McCorquodale, R. N., Fayetteville; Mrs. Frances Miller, Raleigh; Mr. Thomas Peyton, Chapel Hill; and Dorothy Robinson, R. N., Charlotte.

The Committee met at the NCSNA Headquarters on May 3, 1957. The purpose of the meeting was to review the functions and activities of this Committee and PC&PS. Three important functions of the SNA Committee were outlined as follows: (1) Serve in an advisory capacity to SNA Board of Directors relative to PC&PS, (2) Assist with interpretation and promotion of the program, and (3) Set up criteria for district PC&PS Committees.

The Counselor gave an interesting report of her work including twenty-one days of special counseling on the local level. She stated that PC&PS files of NCSNA contain over 3,000 professional records for individual nurses.

The Committee also reviewed the work of the district PC&PS Committees. It was pointed out that the duties of these committees are primarily to interpret

the PC&PS Program. Many districts do not have active PC&PS Committees. The members agreed that a local committee in the districts would help to improve the Service. The group voted to send a letter, signed by the chairman of the SNA PC&PS Committee, to each district president urging her to appoint a district PC&PS Committee unless she already has such a committee.

Plans were outlined for a breakfast meeting in Asheville during the Convention for district committee chairmen. This would provide an opportunity to discuss and exchange ideas of the functions of the Committee and how PC&PS can be implemented on a local level.

The Committee suggested that a communication be sent to employers at least once a year including information regarding the Service and its policies, a report of activities of the previous year, number of nurses and employers served, and kinds of service available. It was felt that this type of communication would serve as a reminder and a valuable public relations tool for PC&PS.

Following the committee meeting, the members met jointly with the members of the Registry Committee to discuss matters relating to both committees.

REPORT OF THE SPECIAL COMMITTEE ON REGISTRIES

Mrs. Stella B. McKeown, R. N., Chairman

Other members of the Committee on Registries are Elisabeth Weaver, Charlotte, and Caroline Singletary, Winston Salem.

The Committee met at NCSNA Headquarters on May 3, 1957. The following important matters were discussed: methods of improving services of registry to the nurse, hospital, and community; knowledge of contents and use of Registry Manual; standards of employment for registrars; revision of registry rules; and guidance and service for practical nurses.

Plans were made for a meeting of registrars of all official registries in Asheville during the Convention for the purpose of reviewing the ANA Guide for Standards of Employment for Registrars and discussing other important matters.

After the meeting of the Committee, the members met jointly with members of PC&PS Committee to discuss matters of mutual concern.

By correspondence most of the registries report for the year: (1) at least 2 registry committee meetings; (2) 2 registries revised their rules; (3) 3 registries increased their rates for private duty nurses; (4) 3 registries increased registry dues; (5) 2 registries raised the salaries of their registrars.

Major problems have been: (1) workmen's compensation case fees lower than those charged by private duty nurses in some of the districts; (2) hospitals calling nurses who are not registry members; (3) time lag in completion of PC&PS biographies; (4) shortage of nurses

REPORT OF EDUCATIONAL ADMINISTRATORS, CONSULTANTS, AND TEACHERS SECTION

Howard E. Williams, R. N., Chairman

Other officers of the EACT Section are: Anne Katharine Scott Bland, Fayetteville, First Vice-chairman; Vivian Culver, Chapel Hill, Second Vice-

chairman; Anne Pleasants White, Charlotte, Secretary; R. Winifred Heyward, Greensboro, and Dorothy Robinson, Charlotte, members of the Executive Committee.

The Executive Committee met four times during the year to appoint and approve committee members, to prepare the annual budget, and to discuss progress. Miss L. Mavis Avery, Secretary General, Royal Australian Nursing Federation, participated in the January 14 meeting.

EACT Section leaders in the districts currently are being surveyed to obtain opinions and information about the working conditions of EACT members as a first step toward formulation of statewide minimum standards for this section.

Committee Activities:

Committee on Functions, Standards and Qualifications for Practice--Chairman, Dorothy Dixon. Committee has encouraged the implementation of FS&Q as adopted by ANA Section and widely publicized.

Committee on Program--Chairman, Margaret Miller. This committee brought to a very successful fruition the Workshop held in Fayetteville, January 24 and 25, on "How an In-Service Education Program Works." The Committee worked with the INSA and NCLN Committees on Program. The Workshop planned for Highpoint under NCLN sponsorship had to be cancelled because of bad weather. The Chairman, EACT Committee on Program, had recommended that there be a co-chairman of the program committee from the INSA or EACT Section and that the chairman should be alternated between the two sections alternate years. There is increasing difficulty in finding a person willing and able to devote so much time to a committee as has been required the past several years.

Committee on Rules--Chairman, Mrs. Fannie Miller Slade. No activity. Rules were revised in 1956.

Committee on Nominations--Chairman, Barbara Bernard. This committee prepared the slate of officers to be elected at the annual meeting.

The Special Committee for Promotion of Additional Preparation for Nurses--Chairman, Ethel Faye Burton. This committee met December 4, 1956 in the auditorium of the School of Nursing, UNC, Chapel Hill, with hospital and nursing administrators of North Carolina. The group was invited to offer suggestions and ideas for the furthering of education for nurses in North Carolina. Dean Kemble described possible plans that might be developed at UNC. A great deal of interest was expressed by administrators in this approach. A resume of the meeting was sent to all North Carolina hospital administrators and nursing administrators. Dean Kemble asked this committee, along with other representatives, to serve as an advisory committee on this matter.

The membership of EACT Section as of October 1, 1957, was 244.

REPORT OF THE GENERAL DUTY SECTION Elizabeth M. Lowrance, R. N., Chairman

Other officers of the General Duty Section are: Mrs. Myrtle Keating, Oteen, First Vice-chairman; Mrs. Frances W. West, Matthews, Second Vice-chairman; Mrs. Ethel Hill, Rocky Mount, Secretary; Mrs. Ruth Peters, Fayetteville, and Mrs. Annie F. Sasser, Wilmington, members of the Executive Committee.

The Executive Committee held three meetings during the year. On January 8, 1957, a meeting was held to appoint the standing committees. The second meeting was held at Rex Hospital, March 26, 1957, to revise the rules of the General Duty Section. The third meeting was held in Raleigh at headquarters office to review the Minimum Standards of Employment for general duty nurses and discuss organization of local units and plan the budget for the coming year.

The Program Committee has planned the program for 1957 Convention.

A slate of officers for the section has been prepared by the Nominating Committee for 1957 which will be presented to the section at this convention for action.

The Committee on Revision of Rules proposed some revisions of the Section Rules which were presented to the Section at a call meeting held in Raleigh on March 26, 1957.

No report from the FS&Q Committee.

As Section Chairman, I would like to remind everyone of the importance of forming local units and striving to increase membership as there is great success and strength in numbers.

The membership of the General Duty Section as of October 1, 1957 was 899.

REPORT OF INDUSTRIAL SECTION Mrs. Betty B. McLeod, R. N., Chairman

Other officers of the Industrial Section are: Mrs. Revonda F. Abernathy, Hickory, First Vice-chairman; Mrs. Diona W. Westmoreland, Marion, Second Vice-chairman; and Mrs. Polly Tillman, Greensboro, Secretary.

A meeting of the Executive Committee was held in Candor, N. C., on December 15, 1956, with the Chairman presiding. Plans for the year's work and the budget were discussed, and the standing committees were appointed. The Executive Committee agreed that if the entire Section could meet two or three times a year for a worthwhile educational program this would stimulate our membership, our main problem, and also create more interest in the Section.

Letters were sent to all industrial nurses telling of the program plans for the year and urging each nurse to join her district. Personal contacts were made and personal letters were written to several prospective members. The districts were asked to contact industrial nurses and invite them to join, and to investigate reasons for previous members not being active members at this time. The membership of our Section as of October 1, 1957 was 75--a slight increase.

The Committee on Revision of Rules met December 27, 1956, in Greensboro. They worked on revising the rules of our section to conform with the Industrial Section rules of ANA so that our rules would be up to date.

A special program and business meeting was held in Greensboro, N. C., on March 2, 1957. The section members voted favorably on the proposed revision of rules as presented by Mrs. Lena Cook, Chairman, Committee on Revision of Rules. Mrs. Faye Abernathy, Program Committee Chairman, introduced Mr. Patrick Comer of

Guilford College who spoke on "Alcoholism," and Chaplin George Colgin of the North Carolina Baptist Hospital, Department of Pastoral Care, whose topic was "Counseling." This interesting and informative program was received with much enthusiasm by the members, and they expressed the desire for more such meetings. Door prizes and favors that had been donated were given out.

The Executive Committee held a short meeting following the special meeting in Greensboro and discussed some items on the budget and efforts to increase membership. Membership promotion pamphlets, "Picture of A Woman With A Future," prepared by ANA, were mailed out to all industrial nurses with notices of the special meeting.

The FS&Q Committee has been working on proposed functions and qualifications for a Director, Industrial Nursing Service, and has sent suggestions to ANA Committee on FS&Q.

The Section Chairman attended a most enjoyable meeting of the Industrial Section of District Three in Winston Salem on Saturday, February 9, 1957.

Miss E. Lorraine Lewis and Mrs. Betty B. McLeod served on the Program Committee of the North Carolina Industrial Commission for the planning of the 1957 State Safety Conference. The Industrial Nurse Section of the Safety Conference was held May 9, 1957, in Winston Salem. After the program, the NCSNA Industrial Section members met and talked over what the members want from the NCSNA Section and ways to increase membership. This was an informal meeting and no official business could be transacted. A membership promotion exhibit from ANA headquarters was set up on the exhibit floor of the Safety Conference.

The third meeting of the Executive Committee was held September 14, 1957, in Greensboro, N. C., to formulate minimum standards for employment in the Section, these standards to be presented at the annual meeting for approval by the Section. Final plans for the annual meeting were also discussed.

The Program Committee planned the program for the special March meeting in Greensboro, and the program for the 1957 annual meeting in Asheville.

The Nominating Committee has prepared the slate of officers for the Section for the year 1958, which will be presented to the Section at the annual convention for action.

In this report I would like to express my appreciation to all the officers and committee members for their zealous efforts and cooperation, and to our NCSNA headquarters staff for their gracious helpfulness.

Our Section is progressing and we must strive to make our Section so worthwhile and full of pep that all industrial nurses will be eager to join.

REPORT OF INSTITUTIONAL NURSING SERVICE ADMINISTRATORS SECTION
Martha M. Adams, R. N., Chairman

Other officers of INSA Section are: Mrs. Edna B. Crook, Fayetteville, First Vice-chairman; Elsie Moss, Durham, Second Vice-chairman; Mrs. Betty Taylor Reap, Chapel Hill, Secretary; Mrs. Eula R. Powers, Lumberton, and Ethel Harrison, Chapel Hill, members of the Executive Committee.

The Executive Committee held three meetings during the year. Members of this Committee functioned on other committees of the section, since securing participants to serve on the various committees was so difficult.

The Program Committee of INSA Section worked jointly with the Program Committee of the EACT Section in setting up the 1957 Convention Program for these two sections and two one-day workshops to be held later in the year. One of these workshops will be held in Eastern North Carolina and the other in Western North Carolina, the date to be announced. "The Role of the Nurse in a Changing Society" has been chosen for the theme of the programs for the year.

The Committee on Nominations prepared the ballot for 1958 which will be presented to the section for action at the convention.

The members of the Executive Committee served as the Committee on Functions, Standards, and Qualifications. They met and studied the present employment standards of Nursing Service Administrators and Supervisors with reference to the need for revision of these standards. Results of this meeting will be presented at the annual business meeting of the section.

Program suggestions have been sent to the INSA Section of ANA for consideration for the 1958 Biennial Convention.

The INSA Section acted as co-sponsors with the EACT and the General Duty Sections to the OR Conference Group and the Head Nurse Branch during the year.

The membership shows an increase over last year. The number of members as of October 1, 1957, was 814.

REPORT OF OFFICE SECTION Ruby Dameron, R. N., Chairman

Other officers of the Office Nurse Section are: Mrs. Bessie Mae Snoddy, Charlotte, First Vice-chairman; Mrs. Mattie W. Cummings, Greenville, Second Vice-chairman; Mrs. Gwyn Chapman, Charlotte, Secretary; Alma Kermon, Raleigh, and Carey Morris, Charlotte, members of the Executive Committee.

The Executive Committee has held two meetings during the year.

The chairman attended the committee meeting on Promotion of Program, Public Relations, and Membership at which time Miss Mavis Avery, Secretary General of the Royal Australian Nursing Federation was a guest.

The Executive Committee and the Membership Committee met in March, 1957, to discuss ways of increasing membership. Letters were sent to all nurses doing office nursing, asking them to join their District Association. A form was also enclosed to be filled in and returned with suggestions for the Program and Nominating Committees. The Program Committee has planned the program for the 1957 convention.

The Nominating Committee has prepared the slate of officers for 1957 which will be presented to the Section for action.

The Office Section has made progress, but there is a great need for more interest. It is hoped that every eligible nurse will become a member in 1958

and that she will put forth every effort to promote the growth and development of this Section.

Membership of the Office Section as of October 1, 1957, was 161.

REPORT OF PRIVATE DUTY SECTION
Mozelle R. Baker, R. N., Chairman

Other officers of the Private Duty Section are: Mrs. Wilma Garris, Rocky Mount, First Vice-chairman; Caroline Singletary, Winston Salem, Second Vice-chairman, filling unexpired term of Montrose Austin, deceased; Mrs. Roberta Crenshaw, Charlotte, Secretary; Hazel Fields, Greensboro, filling unexpired term as member-at-large for Miss Singletary and Mrs. Lena Page, Washington, members of the Executive Committee.

A post-convention Executive Committee meeting was held at Sir Walter Hotel, Raleigh, on October 25, 1956, to appoint chairman and members of all committees. All members of the Executive Committee were present.

The first regular meeting of the Executive Committee was held January 15, 1957, in Greensboro. The purpose of this meeting was to assemble suggestions from all District Private Duty Sections for the convention program. The response was excellent with fifteen of the twenty six Private Duty Sections sending in good suggestions. Also, suggestions were sent to ANA Private Duty Section for program for 1958 convention.

The Chairman attended the Institute for District Officers in Winston Salem on February 12, 1957, and much information was obtained. All NCSNA Board meetings were also attended by the Chairman.

The Program Committee met in April in Asheville, with the chairman in attendance, to formulate plans for the NCSNA convention program for private duty nurses. There was good attendance and much enthusiasm shown by the Committee.

The second Executive Committee meeting was held on August 29 at the home of the Chairman in Greensboro. The proposed budget for 1958 was prepared for recommendation to NCSNA Committee on Finance. The FS&Q Evaluation Forms from ANA were studied and recommendations were made to ANA Committee on FS&Q to have policies implemented through PC&PS and Registry Committees. Suggestions were sent to ANA.

A large number of our twenty-six district sections have revised their schedule of fees to conform with the minimum state-wide standards which were amended one year ago and published in the December 1956 issue of the Tar Heel Nurse. Others are working diligently to achieve this goal.

A survey of existing fee schedules and policies for private duty nursing was done in April and May and published in the June 1957 issue of the Tar Heel Nurse.

The Nominating Committee has prepared a slate of officers for the section for 1958 which will be presented to the section at the convention for action.

A joint meeting of the members of the Advisory Forum and Executive Committee will be held in Asheville prior to the convention.

Membership of the Private Duty Section as of October 1, 1957, was 1,194.

REPORT OF PUBLIC HEALTH SECTION
Mrs. Betty Chapman Eller, R. N., Chairman

Other officers of the Public Health Section are: Atha Howell, Greensboro, First Vice-chairman; Mrs. Mary Edith Rogers, Concord, Second Vice-chairman; Mrs. Aleise Davis, Leaksville, Secretary; Frances Allen, Hickory, and Mrs. Rebekah Johnson Burriss, Winnabow, members of the Executive Committee.

The Executive Committee appointed all standing committees of the Section except the Committee on Nominations. The Committee met twice, a post-convention meeting in Raleigh and again in Asheville in May. At the latter meeting, copies of the Automobile Standard Allowances developed for North Carolina by Ranzheimer and Company were distributed to committee members for study. This will be a major topic of discussion at our Section business meeting at the convention.

The Committee on Nominations has prepared the slate of officers for 1958 which will be presented to the Section for action at the convention.

The Committee on Rules had no requests for review or revision of rules.

The Committee on Program has worked with the NCSNA Committee on Program in planning the Convention Program for 1957 and they have prepared the program for the Public Health Section.

The Committee on Functions, Standards, and Qualifications has been active. They studied and submitted recommendations to FS&Q Committee of ANA Public Health Section on Proposed Examples of Functions for Public Health Nurses Employed in Different Types of Positions, such as the school nurse, the rural nurse working alone without direct supervision, etc.

The membership of the Section as of October 1, 1957 was 276. This represents a decrease from 1956.

Public Health	Mrs. Jessie Miller, Chairman, Box 953, Asheville.
Operating Room	Iowa Ebbs. Chairman, Beverly Apartments, Asheville.
Conference Group	

Progress of District Activities:

Some of our nurses have received grants for advanced education through the "Federal Traineeship Program" enacted in 1956.

Committee on membership worked diligently to increase membership through personal contact. Membership application blanks and information sheet for 1957 and mimeographed programs for the District meetings for the year were sent with personal letter to each director of nurses.

An active recruitment program was carried on through the high schools, clubs, and organizations throughout the district and through the newspapers, television, and radio.

Committee on Nursing in National Defense has kept members informed of progress of the Civil Defense Program in Buncombe County. The Chairman is also a member of the Buncombe County Committee on Civil Defense.

District participated in a television program, "Looking After the community Health."

Eight hospitals are now covered by Social Security and two have a Federal and State Retirement Plan.

Six hospitals work a forty-hour week.

Combined section and business meetings have resulted in better attendance. There has been good newspaper coverage of meetings and nursing activities. A copy of the programs for the year were sent to each member early in the year. Also monthly notices of the meeting and program were sent to each member.

Private duty nurses increased fees to \$14.00.

Christmas cheer packages and cards were sent to all ill nurses and they were visited by the District President at Christmas.

District has one nurse who has received "honorary recognition."

Outstanding Problems:

Poor attendance and lack of interest in District and Section meetings, especially the General Duty Section. This situation has improved since combining section and business meetings.

Securing nurses to serve as officers.

Problems Being Met By:

Sending monthly notices to each member regarding the District meetings.

Efforts to stimulate general duty nurses to maintain an active section.

"Pep talk" to members on importance of serving in any capacity.

Financial Status:

Balance on hand August 30, 1957--\$762.75.

Report of General Duty Section of District One - Sarah G. Johnson, R.N., Chairman:

Poor attendance at the Section meetings has kept activities at a minimum.

Advance notice of the meetings, held on alternating months at the location

of the District Meetings, has not helped.

New graduates were appointed, with their consent, as officers, thinking this would stimulate interest, particularly in their age group. The same few are always present, but no new faces.

Plans for the next meeting include a program on "How to Stimulate Interest" along with a "brainstorming" session. We sincerely hope to create interest and become an active part of the District. We not only are going to talk about it, but we are going to do something about it.

Report of the Private Duty Section of District One - Mrs. Norma T. Morris, R.N.,
Chairman:

Fees for private duty nursing were increased from \$12.00 to \$14.00 with an increase also in special services.

Registrar's salary was increased from \$165.00 to \$200.00 per month. Registry dues were also increased from \$35.00 to \$40.00 per year.

A flower fund has been established by each member contributing \$1.00.

Our one social function was a "tea" for Mrs. Esther Creasman, the new Acting Director of Nurses of Memorial Mission Hospital.

We are looking forward to a good year.

Report of the Public Health Section of District One - Mrs. Jessie Miller, R. N.,
Chairman:

The Public Health Section had two business meetings and two call meetings during 1957.

At one call meeting, Mildred Barry, the Nutritionist from the State Board of Health, gave a most interesting talk on "Nutrition in Pregnancy," and explained the use of the "Flip Chart." There were twenty-two members present.

At the second call meeting, Mrs. Bonnie Roush, R. N., told of her interesting experience at the State Hospital in Morganton, N. C., during her orientation period there during the month of February 1957.

Ways and means of enrolling more members and having a speaker at each meeting has been discussed and next year we hope to carry out more plans. Plans are being made for a luncheon meeting to be held sometime in November.

EACT	Agnes Campbell, Chairman, Grace Hospital, Morganton.
Industrial	Mrs. Helen Warren, Chairman, General Electric Plant, Hickory.
INSA	Mrs. Mabel Franklin, Chairman, Grace Hospital, Morganton.
Private Duty	Mrs. Lettie Clapp, Chairman, Box 465, Newton.
Public Health	Frances Allen, Chairman, Health Department, Hickory.

Progress of Activities:

All news letters regarding federal, state, and county legislation have been reviewed by the members of the legislative committee.

The Committee on Promotion of Program, Public Relations, and Membership worked diligently to increase membership. More than 150 letters were sent to prospective members in March urging them to join, plus personal contacts; copies of ANA pamphlet, "Nurse, Wherever You Are," were mailed to members. District has a membership increase of two over last year.

Nurse recruitment booklets were distributed to hospitals and public health departments. District Two Memorial Scholarship of \$100.00 was awarded to Kitty Henson, a student at Rutherford Hospital School of Nursing.

The 1956 recipient of the scholarship visited a District meeting and reported that she is still very happy in nursing.

A member of the District attended a four-day Institute on "Civil Defense." The pamphlets, "Civil Defense and the Nurse," have been distributed to members.

There has been good newspaper and some radio coverage of District activities. Many members are active in local civic organizations. Mrs. Ione B. Bain, 1955 President of District Two, was voted "Woman of the Year" by the Granite Falls Junior Woman's Club.

All hospitals and health departments within the district are covered by Social Security.

After much consideration, the members voted in February against dividing the District.

Attendance at District meetings doubled that of previous year.

Semiannual report in the form of a Handbook was sent to the members in August. It was also sent to 100 prospective members.

A scrapbook of the District activities has been made and will be kept up-to-date. A suggestion box is also provided for use of members for making suggestions about District activities.

A representative was sent to Institute for District Officers held in Asheville.

Submitted suggestions to the NCSNA Committee on Nominations for candidates for officers of NCSNA.

Flowers and messages of condolence were sent to bereaved members.
Nurses in the area worked with the Red Cross Bloodmobile Unit.

Outstanding Problems:

Our big problem is lack of interest, especially from the General Duty nurses who comprise a large percentage of our potential membership. They have indicated little interest in learning what their professional organizations do for the nurse.
Keeping members informed on nursing progress and activities.

Problems Being Met By:

Notices of each meeting sent to members and to prospective members.
Advance newspaper publicity of District meetings.
Newspaper publicity after each meeting to inform absentees and non-members.
Mailing Handbook to members and prospective members.
Much emphasis placed on good program planning.
Social hour with refreshments at meetings.
Holding meetings in various hospitals in the District.
Urging hospital supervisors and directors of nurses to display greater interest in the District and to show more concern in their staff affiliation and participation in nursing organizations.

Report of EACT Section of District Two - Agnes Campbell, R. N., Chairman:

The EACT Section has had two meetings with good representation.

Many of the members have attended conferences, workshops, and institutes throughout this state and others: Psychiatric Workshop, State Hospital, Morganton; Institute on Evaluation of Students, Memorial Mission Hospital, Asheville; NLN Annual Meeting, Chapel Hill; Institute on Alcoholism, Asheville; Conference on School Improvement and Accreditation, Charlotte; NLN Convention, Chicago, Illinois; Institute on Inhalation Therapy, Charleston, South Carolina; Maternal and Child Health Institute, Saluda; and others.

Report of Industrial Section of District Two - Mrs. Helen Warren, R.N., Chairman:

The Industrial Section had two meetings during the year with a good attendance; the attendance at District meetings has also been good.

Members have attended the following meetings: Two Western Piedmont Safety Council Meetings; state meetings of the American Association of Industrial Nurses; two meetings of Executive Committee and program and business meeting of NCSNA Industrial Section; Industrial Nurses Section of the Statewide Safety Conference of the North Carolina Industrial Commission.

Members are planning to attend the Annual Meeting on October 23, 1957.

Personal letters have been sent to industrial nurses in the District who are not members - working toward 100% membership next year.

Report of INSA Section of District Two - Mrs. Mabel Franklin, R.N., Chairman:

The INSA Section held two meetings during the year with only fair attendance.

Efforts are being made to increase Section membership during the coming year and to improve attendance, interest, and activities.

Report of Private Duty Section of District Two - Mrs. Lettie Clapp, R. N.,
Chairman:

Private duty nursing fees were increased from \$10.00 to \$12.00. A notice of the increase in fees was sent to all hospital administrators, medical societies, and all local newspapers throughout the District.

Made suggestions for candidates for officers of the State Section.

Members are planning to attend the 1957 Annual Convention.

Report of the Public Health Section of District Two - Frances Allen, R. N.,
Chairman:

The Public Health Section had two meetings during the year with a good attendance.

Made suggestions for candidates for officers of the state Section.

Two members attended Institute on Maternal and Child Health, Saluda; one member attended Institutes on Cancer, Heart, Tuberculosis, and Chronic Diseases, Chapel Hill.

Report of the Industrial Section of District Three - Mrs. Ruby Hester, R. N., Chairman:

The Industrial Section has had three meetings during the year with poor attendance. Nurses show little interest in meetings.

Have four new members.

Report of the Private Duty Section of District Three - Mrs. Rachel Hill, R. N., Chairman:

Other officers of the Section are Mrs. Hazel Phillips, Secretary, and Mrs. Ann Prather, Treasurer.

Nine meetings have been held with an average attendance of thirty. The registry consists of one hundred and thirty-six members.

During the year the Private Duty Section has given a fashion show and a bridge benefit, had a bake sale, sold stationery, and had a picnic and showed an outdoor movie. Almost all the members participated and many improvements in congeniality of members resulted.

Fund raising projects were undertaken to appropriate money in order to send a representative to the State and National Conventions.

Many hours of volunteer service have been given to the Red Cross through work with the Bloodmobile.

Gifts, cards, and flowers were sent to members and their families in times of sickness and bereavements.

Mount Airy nurses in the past have been working through our Registry. We appreciate their association and stimulation. They have returned to Mount Airy to practice in the new and modern hospital.

Private Duty	Mrs. Florence Beatty, Chairman, 2315 Fairway Circle, Charlotte.

Progress of District Activities:

Special efforts were made during the first three months of the year to promote membership. The results were pleasing.

Recruitment of student nurses encouraged by faculty members from schools of nursing talking with current high school graduating classes.

With the help of local Civil Defense leaders, efforts were made to keep District and sections informed.

Recruiting officers of armed forces talked with graduating classes of schools of Nursing. District President also spoke to two classes of senior students on Army Nurse Corp.

District publicity chairman has prepared several articles, publicizing nursing activities.

Report of the EACT Section of District Five - Ethel Faye Burton, R.N., Chairman:

The Executive Committee held two meetings, and the Section held three meetings in which plans were laid for an Institute on In-service Education.

The EACT Section invited the INSA Section to work with them on program planning. The Institute was a joint project of the two sections.

The regular section meetings were held following the business meeting of the District.

Report of the General Duty Section of District Five - Mrs. Sallie G. Ferguson, R. N., Chairman:

The Section held three meetings with an average attendance of 8.

In organizing the General Duty Section, our work has been concentrated toward new members and growth. Results are promising.

Report of the Office Section of District Five - Mrs. Grace Delong, R. N., Chairman:

The Executive Committee has held two meetings and has explored earnestly and exhaustively many plans designed to stimulate an interest in membership; have contacted all office nurses in the District.

Section meetings are held simultaneously with other section meetings following District business meeting. Well-planned programs have been planned but only a few nurses attended. In May it was our pleasure to visit the Gaston County new ultra-modern Health Center.

Ruby Dameron, a member and Chairman of State Section, was guest speaker to the Presbyterian Graduating Class, participating in a series of talks on the various fields of nursing, at which time she explained the advantages and duties of the "Office Nurse."

The Section Chairman was the sixth recipient for the coveted "PIN", an annual Alumnae award of Presbyterian School of Nursing Home Coming, June 13, 1957.

The INSA Section worked with the EACT Section in program planning and in sponsoring an Institute on "In-Service Education."

Report of the Private Duty Section of District Five - Mrs. Florence Beatty, R.N., Chairman:

Six meetings were held during the year with good attendance average 42. Beginning January, 1957, the Private Duty Section held both morning and evening meetings in order that 3-11 and night nurses could attend.

The Private Duty Evaluation Program was started in November, 1956.

Beginning February 27, the Spot Education Program was started and continued every other Wednesday through May. Both morning and evening sessions were held--three hours each. These lectures were conducted by specialists in their field and with much interest shown by members of the Medical Association of Mecklenburg county. Each nurse in the District was personally invited. Pamphlets were distributed among Institutional, Public Health, Industrial, Dental Assistants, and Office Nurses. Nurses from local and surrounding areas contributed to financing this program. The program was well publicized by radio, television, and newspapers. Surgical companies demonstrated some of the newest hospital equipment. The average attendance was 100.

Mrs. Jones from the local Welfare Department was guest speaker at the

January meeting. Her topic was "Juvenile Delinquency in the City of Charlotte and Mecklenburg County."

A memorial to Miss Montrose Austin was given by Mrs. Opal Walden, District President.

Chairman attended a workshop for District Officers held in Winston Salem, February 12, 1957.

The Private Duty Section is sending a delegate to the State Convention in Asheville in October.

The officers for the year 1958 are: Mrs. Florence Beatty, Chairman; Phoebe Hildreth, First Vice-chairman; Mrs. Clady Warner, Second Vice-chairman; and Mrs. Jennie Casey, Secretary and Treasurer.

REPORTS OF ALUMNAE ASSOCIATIONS

DISTRICT ONE

FIVE ALUMNAE ASSOCIATIONS

APPALACHIAN HALL ALUMNAE ASSOCIATION
Rose Mary Phillips, R. N., President, Asheville

The Appalachian Hall Alumnae Association does not have, at the present, time, enough active members in the area to function.

**See page 82.

MEMORIAL MISSION HOSPITAL ALUMNAE ASSOCIATION
Nancy Carolyn Queen, R. N., President, Asheville

"Growth" and "Progress" have been the themes for the Memorial Mission Hospital Alumnae Association for the past year. We now have a total of 140 active members. We have had five regular meetings plus the Annual Homecoming Meeting with an average attendance of 35. All of our meetings have been dinner meetings. This has stimulated attendance.

Programs have been informative and entertaining. Mrs. Pauline Roth, Social Director for the Memorial Mission Hospital School of Nursing, displayed the handicrafts made by the student nurses. We also have had films and musical programs.

An elaborate Banquet and Dance followed an All Day Homecoming meeting on June 29, 1957. Dr. W. Otis Duck of Mars Hill, North Carolina, was the speaker.

The Sick Committee has sent flowers and cards to those who have been ill. Messages of condolence were sent to the bereaved members. A donation was made to the N. C. State Nurses' Association Memorial Loan Fund in the name of the graduates who succumbed.

Approximately 400 newsletters were mailed in the fall and spring to members whose addresses we now have. These have stimulated interest and are always welcomed by the members who cannot attend meetings.

Activities undertaken to raise funds were: a fall dance, a turkey raffel, and selling Christmas cards and paper. All of these were enjoyable and most profitable.

The following projects have kept us busy and let the student nurses and community know that we are active and interested in their progress:

1. Latest project, and one of which we are most proud, is paying the tuition for a student who has met the requirements of the Scholarship Committee.
2. Presented the student nurses with a popcorn popper and popcorn at Christmas.
3. Chose three needy children and gave them clothes and toys. This was a most rewarding project.
4. Presented each new graduate a Sheaffer fountain pen upon her graduation.
5. Members prepared Easter baskets and presented them to the children on the pediatric ward on Easter morning.
6. Aid was given to student nurses to sponsor a Valentine dance. A candidate for Valentine Queen was chosen by the Alumnae Association. The Valentine Queen was presented an arm bouquet of roses by the Association.
7. Contributed a page in "Mission Belles," the School of Nursing Annual.

8. A five-year membership to the "best all round" student was presented. She was chosen by a committee of supervisors and head nurses who are members of the Alumnae Association.

Other officers of the Association are: Mrs. Waynette Sappington, First Vice-president; Mrs. Blanche Cobb, Second Vice-president; Miss Sarah Johnson, Secretary; and Miss Gladys Wells, Treasurer. The Board of Directors consists of Miss Iowa Ebbs, Mrs. Ethel Simpson, Mrs. Nelle Bagwell, and Mrs. Marie Ebbeson.

FOUR ALUMNAE ASSOCIATIONS

CITY MEMORIAL ALUMNAE ASSOCIATION

Mrs. Margie Fulk, President, R. N., Winston Salem

City Memorial Hospital Alumnae Association has had a busy year highlighted by quite a few features that indicate progress and expansion.

Our meetings were held on alternate months with an average attendance of thirty members. These included business sessions, program events, a Christmas party and an ice cream party.

We sent representatives to the annual convention of the NCSNA; contributed to the Salvation Army at Christmas; renewed magazines for the library school of nursing; and contributed a liberal amount to the Student Loan Fund. The Student Loan Fund is set up by the Forsyth-Stokes Medical Auxiliary for student nurses. Money may be borrowed without interest to be repaid in a period governed by the amount of the loan. Money borrowed must be used to further education or to assist the student in getting started in her profession as a nurse or for emergencies that might arise while the student is in training.

Our sunshine committee has done an exceptionally good job in keeping up with members who are ill, remembering them with cards, useful gifts, or flowers.

Plans are now in progress for our Biennial Homecoming to be held at the hospital this fall.

Following a custom for many years, the Association gave the twenty-six members of the Graduating Class of 1957 their hospital caps and white bobby pins. The Association also gave each member a gift of cuff links.

Other officers of the Association are: Mrs. Betty Sofley and Mrs. Thelma Whiteheart, Vice Presidents; Mildred Floyd, Secretary; Patsy Carroll, Treasurer; Mrs. Katherine Sutton, Bernice Pratt, Mrs. Rachel Pilcher, Miss Lorraine, Board of Directors.

MARTIN MEMORIAL ALUMNAE ASSOCIATION
Mrs. Lucy H. Johnson, R. N., President, Mount Airy

The Martin Memorial Alumnae Association held nine regular meetings with an average attendance of twenty-eight. The Association has a total membership of eighty--forty-two of which are active members. This shows an increase of ten per cent in membership. We have fifteen new members and eleven new subscriptions to the American Journal of Nursing.

The Association has had interesting programs during the year. Programs and activities were:

Donated \$1,000.00 to the new Northern Hospital of Surry County to memorialize a pediatric ward in the name of the Martin Memorial Hospital Nurses Alumnae Association.

In December the American Red Cross gave special recognition to all local Red Cross nurses. Had the Alumnae Christmas Party to which husbands were invited. The attendance at the party was approximately sixty.

Twelve members volunteered for the bloodmobile unit in February. Others helped during summer months.

Wrote letter to our new Hospital Auxiliary assuring the Alumnae cooperation in opening the new hospital and expressing our appreciation for all they had done.

Appointed a Telephone Committee to call all members before each meeting.

Donated \$10.00 to the Polio Fund.

Annual Scrapbook being compiled for homecomings, etc.

Donated to Student Loan Fund in honor of an alumnae member now deceased.

Donated \$10.00 to each the Red Cross and Cancer Fund.

Hospitality chairman appointed to welcome new and old nurses returning to Mount Airy. Assisted in open house for the Northern Hospital of Surry county. In March a committee of the Alumnae met with new Hospital Board of Directors for the purpose of discussing the re-opening of the School of Nursing. Students will be admitted in the fall of '58.

In May approximately one hundred and fifty nurses and husbands, doctors and wives enjoyed Homecoming and tour of the Board.

Sold nurses cook books during the summer.

The current balance in Student Nurse Loan Fund is \$1,400.00.

Other programs include report of NCSNA Convention, "Nursing Care of Thoracic Surgery," Film on "Cancer of the Breast," "Rheumatic Fever and Rheumatic Heart Disease."

NORTH CAROLINA BAPTIST ALUMNAE ASSOCIATION
Mrs. Willhemena Cranford, R. N., President, Rural Hall

The Association held monthly meetings except in July and August with varied programs and an average attendance of 15-20.

The Association has a membership of 132. Two social meetings were held during the year--a Christmas dinner and a spring picnic--with husbands as guests.

Activities of the Association: Two loan funds, the Edna L. Heinzerling and Stinson-Roddick, were maintained for students; a book club membership was given to the nursing school library; The Gray and White Matter, annual for the Bowman-Gray School of Medicine and North Carolina Baptist Hospital School of Nursing, was given to the nursing school library; students using the loan were given a check as a Christmas gift, and invited to the Christmas dinner of the Association; members of the graduating class were given a gift and an associate member in the Alumnae Association for the remainder of the fiscal year; \$50.00 was given toward the purchase of a Steinway grand piano for the living room of the nurses' home; Miss Joyce Warren, director of the School of Nursing, was given an honorary membership in the Alumnae Association; gifts and cards were sent to sick and bereaved members; and the delegates' expenses were paid to the NCSNA convention.

CHARLOTTE MEMORIAL ALUMNAE ASSOCIATION

Mrs. Virginia Fesperman, R. N., President, Charlotte

Other officers are: Mrs. Charles Wright, Vice-president; Mrs. T. C. Riggins, Secretary; Peggy Royal, Treasurer.

Our meetings usually are held in the homes of our members. We have an average attendance of 20 members. Some of the meetings are for business only, but we have had guest speakers as often as possible. Dr. Ira Rapp spoke to us on his recent trip to Africa, and Mr. Ralph Clantz, a Charlotte attorney, spoke at another meeting on his experiences as a member of the Communist Party for the FBI.

CHARLOTTE SANATORIUM ALUMNAE ASSOCIATION
Mrs. Lela Shinn, R. N., President, Charlotte

Other officers are: Lois Spurrier, Vice-president; Mrs. Emma Peterson, Secretary; Ester Archer, Treasurer.

Membership totals 45. We have had nine meetings, with attendance averaging between 15 and 20. Meetings are held in the homes of members. In June and December, husbands and friends are invited. June is the the annual picnic, and December the Christmas party.

We have three student loan funds, and at present six students are using them. The loan funds are: The Lucy Walton Fund, the Josephine Kerr Fund, and the Montrose Austin Fund.

On April 1, 1957, we were saddened by the death of one of our most active members, Montrose Austin. One of Charlotte's leading doctors set up a student loan fund in her memory.

MERCY ALUMNAE ASSOCIATION
Mrs. Mary Ann Carpenter, R. N., President, Charlotte

The monthly meetings of the Mercy Alumnae Association are held on the first Wednesday of each month with the exceptions of July, August, and September. The meetings are held in the Nurses' Home Auditorium. We have an active membership of 180.

Officers for 1957 are: President, Mrs. Mary Ann Carpenter; First Vice-president, Mrs. Mable Locke; Second Vice-president, Mrs. Jo Gaines; Secretary, Miss Ann Allen; Treasurer, Mrs. Carolyn Westbrook.

Program and activities for 1957:

January - This was an organizational meeting. Committees for the year were announced. Plans were laid for a Hospital newspaper. A report on the scholarship fund was made by Ann Barentine, Chairman.

February - Dr. Inez Elrod of the Charlotte Red Cross Blood Center, gave a very interesting talk on "Blood and Its Derivatives."

March - Met in the home of Ann Barentine. Mr. Julian Sheen, reporter for the Charlotte News, was the guest speaker.

April - The alumnae gave \$40.00 to the senior class to be used on their annual, which they preferred instead of a picnic to be given by the alumnae.

Mrs. Jane Brandon, R. N., spoke on "Income Protection Plan for All Nurses."

May - Met in the home of Mrs. Ben Douglas, R. N. The newly revised Bylaws of Mercy Alumnae Association were distributed to all members present. Plans were completed for the annual picnic to be held in June.

June - The annual swimming party and picnic was held at Catawba Lake. A large group of nurses and husbands attended.

Dues for membership in the ANA were paid by the alumnae for the director of nurses and the hospital administrator. Cards were sent to all ill or bereaved nurses and families. Flowers were sent to the immediate family of the bereaved nurses.

St. Peter's alumnae have nine regular meetings each year, meeting on the fourth Thursday night of each month except June, July, and August. We have a paid membership of 48, with average attendance of 14.

One of our beloved active members died on August 22, 1957, Mrs. Margaret Hazelton. A \$25 memorial fund was sent to the Nalle Clinic Foundation in her memory.

Our most important project is a Student Loan Fund. We have a new recipient who started her training on September 1, 1957.

Five members of the Association attended the NCSNA convention in Raleigh in October, 1956.

The highlights in social activity for the year were our Christmas party and a picnic in September.

Balance on hand on September 15, 1957, was \$1,082.47.

DUKE UNIVERSITY SCHOOL OF NURSING ALUMNAE ASSOCIATION

Anna C. Painter, R. N., President, Durham

Monthly meetings were scheduled with programs of various educational interests planned.

Our President was sent as a delegate to the NCSNA Convention in October.

A tea was given for the faculty of the School of Nursing, honoring especially the new faculty members.

Members of the faculty were invited as special guests to our regular meeting in November.

A Newsletter was printed and sent to all Alumnae of the Duke University School of Nursing in April.

Members of the Alumnae and the faculty of the School of Nursing together gave a picnic for the graduating seniors in May.

In June help was given to the Kiddy Kollege program during commencement weekend when University Alumni with children returned to Duke.

We feel that considerable progress was made by incorporating our Alumnae more closely with the Alumni Association of Duke University. Our records have been set up in the Alumni Office on West Campus, our funds deposited with the University's system, and our Constitution and Bylaws are in the process of being revised.

Other officers elected to serve for the coming year are: First Vice-president, Mrs. Nancy McK. Lusk; Second Vice-president, Mrs. Annette Winkler; Recording Secretary, Mrs. Ann Fuller Johnson; Corresponding Secretary, Judy Hudson; and Treasurer, Mrs. Jo Ann Kelbert Chick. Other members of the Board of Directors are: Martha Lee Covington, Mrs. Dorothy Kamin, and Mrs. Ann Chambers.

Nine meetings were held with outstanding programs covering the fields of advances in nursing and in surgery, and two very outstanding programs on rehabilitation work in North Carolina. Average attendance at meetings was 12-15.

Balance in the Budget is \$133.00.

Activities during this year: sponsored a needy family for Christmas, including gathering in of good, used clothes for this family; had lots of fun selling fruit cakes, netting approximately \$30.00; gave the graduating senior class of 46 members a banquet in August, 1957, and presented each girl with a token gift; co-sponsored with financial aid of our hospital a Senior Dance in late August 1957; kept in touch with our graduates with the aid of a fine, alert chairman for sick members; completed a typed year-by-year file of addresses of graduates and filed them in a small metal cabinet (to be used for correspondence and references); made plans to send a delegate to N. C. State Nurses' Association

convention in October with all expenses paid.

Our weakness, as we see it, remains that of recruiting new members who will not only pay their dues but will give us moral support. We've used available media of notifying people of our meetings. Any suggestions for increasing interest in the Association will be greatly appreciated.

Despite the discouraging low membership, we feel we have great potentials in this Alumnae Association. Outgoing officers are by no means discouraged and pledge to serve the Association in every way possible in the future, thereby repaying some of the spirit of cooperation we have received from a number of Watts graduates. We wish to say "Thank you" to each of these nurses.

DOROTHEA DIX ALUMNAE ASSOCIATION

Mrs. Doris Avery, R. N., President, Raleigh

We have had nine meetings during the year, with attendance averaging 15. We have 36 paid members.

Our projects during the year were: gifts to ill members or associates, \$12.18; purchase of books for ward libraries, \$28.78; and entertaining District Thirteen in May in the hospital chapel.

Balance on hand, \$102.50.

MARY ELIZABETH ALUMNAE ASSOCIATION

Mrs. Nolie Graham, R. N., President, Raleigh

We have a membership of 15 and have held nine meetings during the year, with an average attendance of nine. We collected \$134.08, disbursed \$119.32, leaving a balance on hand of \$14.76. We also have five \$100 bonds.

Programs during the year have been interesting and informative. At the September meeting we discussed fund-raising methods--selling cards, selling litterbags for cars, and holding a Chinese auction.

Cards and flowers were sent to sick members. A sunshine basket was sent to a Mary Elizabeth Hospital nurses' aide who is a patient in a sanatorium.

Projects include sending semi-annual bulletins to all alumnae, in order to stimulate interest in the Association, and the writing of the history of Mary Elizabeth Hospital and its School of Nursing, which was closed in 1950. This project is underway. We held a banquet in November, with the staff of the hospital as honor guests. In June the alumnae entertained the staff at a Barbecue.

REX ALUMNAE ASSOCIATION

Mrs. Katheryn T. Peebles, R. N., President, Raleigh

Other officers are: Mrs. Alawoise Flannigan, Vice-president; Mrs. Meta P. Montaleon, Second Vice-president; Jean Moore, Secretary; Mrs. Effie B. McCullers, Treasurer; Mrs. Helen Creech, Mrs. Luna G. Adams, Frances Alderman, and Mrs. Louise Brooks, Directors.

The total paid membership is 158. We had six general meetings and one meeting of directors and committees. Average attendance for the regular meetings was eleven. Meetings were held quarterly, with two special meetings.

Report of meetings:

September, 1956 - This was a special meeting. Plans were made for Annual Homecoming. Ways and means of increasing attendance were discussed.

November, 1956 - Annual Homecoming was held at Daniels House.

December, 1956 - Civil Defense discussion and representative to Civic Defense Council was appointed. A Christmas program followed, with senior students invited as guests.

February, 1957 - Annual summary by the President, Election of officers.

April, 1957 - Board of Directors meeting. Committees appointed.

May, 1957 - Selection of student nurse to receive annual scholarship award.

September, 1957 - Meeting held at new Occidental Insurance Building. Homecoming plans discussed. Tour of the building followed the meeting.

The association continues the sale of salad cutters and nurses' caps. Alma Kermion decorates each year for the graduating class. A basket of flowers was given by the alumnae. Fifteen dollars was given to the Junior class for dessert for a barbecue. Rex student entry in "Miss Raleigh" contest was coached by Miss Kermion. History of Rex Hospital and School of Nursing was compiled by Miss Kermion and given to the hospital. Allual Scholarship of \$100 was presented to Aileen Lloyd. Delegate was sent to NCSNA convention.

Homecoming was enjoyed by 199 husbands and wives. Following the banquet a most entertaining variety of talent was presented. A lovely memorial table was arranged in memory of Mrs. Dazelle Duke Bigham.

Other officers are: Mrs. Ruby Norton, Vice-president; Patricia McVey, Secretary; Carolyn McNeill, Treasurer; Mrs. Geneva Williams, Mrs. Mary White, Mrs. Miriam Pierce, and Mrs. Cora Marsh, Directors.

The Highsmith Hospital Alumnae Association has 22 active members. Meetings are held on the first Thursday of each month, except in August, with an average attendance of 16. Members of the senior class of Highsmith Hospital School of Nursing were invited to all of the meetings. Recognition has been given to Mrs. Myrtle McColl Bracey, who has attended every meeting of the Alumnae Association for the past five years.

The programs have been varied and interesting, ranging from discussions on topics of current interest pertaining to better patient care in our hospitals and in the community to social and economic conditions in other countries. The programs were presented by outstanding speakers from the community who used colored slides and personal experiences for illustrations.

During the past year the Alumnae Association has established a Scholarship Loan Fund in memory of Mrs. Louise Lloyd Owen, a 1933 graduate of this school. Loans were made to three worthy and qualified student nurses. Financial assistance was also provided for one student, Angeline Gore, who was chosen by the Baptist Student Union to represent North Carolina as a student missionary to Nigeria for three months. Membership in the Book-of-the-Month Club for the students was continued for another year, and very able assistance was given a local needy family at Christmas.

Plans are being made to have Homecoming in 1958, and Newsletters will be sent regularly to all graduates of the school. The members of the Alumnae Association are very interested in the School of Nursing and are making every effort to provide help for those students who need it.

ROANOKE RAPIDS ALUMNAE ASSOCIATION

Mrs. Margaret Merritt, R. N., President, Roanoke Rapids

In October, 1956, we planned for the Alumnae Homecoming, which was held in November. In December we had a joint Christmas party with District Seventeen and also "pounded" one of our nurses who has been unable to work due to illness and death in her family.

In January, 1957, the Alumnae gave \$30.00 toward painting the classroom at the Nurses' Home and \$5.00 to the Student Loan Fund in memory of the Loy children who drowned during Christmas Holidays. Mr. Loy is former President of our hospital.

In February our project was to fix up a nice sunshine basket for one of our ill nurses. In April the house mother's son died and we again contributed \$5.00 to the Student Loan Fund. In May we presented the graduating class of nurses with bandage scissors. No summer meetings are held.

At each meeting we all pay 10¢ each for our refreshments. This money goes into a fund with which we plan to buy something for the students or a gift for the Nurses' Home.

Attendance has improved during 1957. The Homecoming was a big success, and we plan to have it every 3 years.

DISTRICT EIGHTEEN

THREE ALUMNAE ASSOCIATIONS

CAROLINA GENERAL ALUMNAE ASSOCIATION

Mrs. Rebecca B. Hobgood, R. N., President, Wilson

The Carolina General Hospital Alumnae Association, with a membership of 36, held nine regular meetings and one called meeting during the past year, with an average of 20 members present at each meeting.

We have contributed to the various civic drives during the year; sent cards to our members who were sick or bereaved; served as hostess at District meetings; and sent a delegate to the 1956 NCSNA Convention. We have also contributed financially to a deserving student in the Wilson School of Nursing. A banquet and dance was given in honor of the 1957 graduating class of the Wilson School of Nursing and their guests. This affair was sponsored by the three Alumnae Associations.

In June of this year we sponsored a Homecoming for all graduates of Carolina General Hospital School of Nursing and the former employees of the hospital.

This gay affair was well attended and very successful.

In July, 1957, Mrs. Mary T. Strickland, first graduate of the Carolina General Hospital School of Nursing, died. In memory of her we are planning a landscaping project on the hospital grounds. In August, 1957, Miss Lillie Boyette, one of our honorary members, died. She was one of the oldest graduate nurses of Wilson.

A bake sale was our project for raising money this year.

To stimulate interest and attendance, our members are divided into three groups, each with a leader. Each leader is responsible for notifying the members of her group of the meetings. A contest was held this year, and the group with the largest attendance was to be entertained by the other two groups.

Other officers for the year are Mrs. Annie Lamm, Secretary; and Mrs. Mary Ella Glover, Treasurer.

WILSON SCHOOL OF NURSING ALUMNAE ASSOCIATION
Mrs. Dorothy P. Smith, R. N., President, Wilson

Our group had nine meetings last year, with an average of 11 members present at each meeting. We have a total of 17 members.

During the past year, with the help of the Woodard Herring and Carolina General Alumnae, we have donated \$50 toward a scholarship fund to be used by a student in the Wilson School of Nursing. We have helped to sponsor a banquet and dance for the graduating class.

In June the Shriners convention was held here, and our alumnae helped sponsor a float in the parade. We have had bake sales to make money for our alumnae treasury.

We sent out several letters to former graduates of the school urging them to join the alumnae.

Other officers are: Caroline Lathan, First Vice-president; Mrs. Jewel Windham, Second Vice-president; Mrs. Lou Toler, Secretary; Shirley Edwards, Treasurer.

WOODARD-HERRING ALUMNAE ASSOCIATION
Mrs. Ruth B. Price, R. N., President, Wilson

Other officers are: Mrs. Ila F. Raper, Vice-president; Nellie Garriss, Secretary; Mrs. Eloise Ferrell, Treasurer.

The Woodard-Herring Alumnae had nine meetings in the past year with an average of 15 members present at each meeting. Total number of members is 34.

Our Association is giving \$50.00 toward a scholarship for a worthy student nurse of the Wilson School of Nursing. The scholarship is presented jointly by the Carolina General, Wilson School of Nursing, and Woodard-Herring Alumnae Associations. At Christmas time we presented gifts to our student, and each one donated one dollar to be presented to her on Christmas Eve.

We also gave six song books to the Students Christian Fellowship for the

students of the Wilson School of Nursing.

In May we participated with Carolina General and the Wilson School of Nursing in having a float at the Shriner's convention for the recruitment of nurses.

In August the members of the graduating class of the Wilson School of Nursing and their guests were entertained with a banquet and dance by the above Alumnae Associations at the Wilson Country Club.

Throughout the year cards and flowers were sent to sick and bereaved members of our alumnae.

TWO ALUMNAE ASSOCIATIONS

PARK VIEW ALUMNAE ASSOCIATION

Mrs. Ellen C. Campbell, R. N., President, Rocky Mount

The Park View Alumnae Association has a membership of 65 and meets each month except July and August.

The programs for the year have been varied. We had an interesting talk and pictures shown by a local news reporter about an extensive trip in Europe. Also informative was a program on Social Security.

Efforts have been made to encourage good fellowship among the Alumnae, the Hospital Administration, and the School of Nursing.

The Alumnae made donations to the Polio and Heart Funds and also remembered the sick or bereaved members with gifts or flowers.

We served as hostess at a District meeting, sent delegate to the 1956 NCSNA Convention, had a Christmas party, gave gifts to retiring officers, and entertained the Graduating Class at a reception.

The highlight of the year was our Homecoming--the first in six years. All former graduates were contacted, and special guests were invited. An interesting program and luncheon were held at the Country Club. Open House was held at the Hospital to show the many improvements to the older graduates.

Other officers for 1957 are: Mrs. Mary R. Griffin, First Vice-president; Mrs. Ben Jenkins, Secretary; Edith Clarke, Treasurer.

ROCKY MOUNT SANATARIUM ALUMNAE ASSOCIATION

Mrs. Elizabeth M. Lowrance, R. N., President, Rocky Mount

Other officers for 1957 are: Mrs. Virginia Pitt, Secretary; and Mrs. Pauline Layton, Treasurer.

We have approximately 30 members, with an average attendance of about 40 per cent.

Programs for the year were as follows:

September, 1956 - Mrs. Minnie Barnes told of her trip to Cuba. Mrs. Rosetta Thompson reported on the long-range education program.

October, 1956 - Three delegates were appointed to the NCSNA Convention in Raleigh, and \$60.00 was appropriated for expenses of delegates.

November, 1956 - Report from delegates from NCSNA Convention.

December, 1956 - Christmas party held at the home of Mrs. Elizabeth M. Lowrance. Gifts were exchanged, and all officers were remembered with gifts from the Association.

January, 1957 - Regular business meeting.

February, 1957 - Dr. J. A. Whitaker discussed health and city government problems. He also showed slides of Hawaii and California.

March, 1957 - Discussed ways to increase membership by sending cards to inactive nurses and encouraging them to attend.

April, 1957 - Discussed the need of Eastern North Carolina having a four-year collegiate school of nursing at Greenville.

May, 1957 - Regular business meeting.

June, 1957 - Entertained husbands at a dinner party at the Rio Restaurant, with door prizes donated by several merchants, and dancing enjoyed by all.

September, 1957 - Discussed plans for a Cancer Institute co-sponsored by the Nash County-Rocky Mount Chapter of the American Cancer Society and the Rocky Mount nurses to be held at the Rick Hotel in Rocky Mount October 10, 1957. Appointed four delegates to the state convention and appropriated \$75.00 for the expenses of the delegates.

We entertained District Twenty Nurses' Association twice during the year. Donations were made to the March of Dimes and the Community Chest. We paid \$60.00 toward the expense of delegates to the NCSNA Convention.

The Alumnae operates a Coca Cola machine in the hospital to help raise funds. Sick members are remembered with cards, flowers, or gifts.

DISTRICT TWENTY-ONE

ONE ALUMNAE ASSOCIATION

LENOIR MEMORIAL HOSPITAL ALUMNAE ASSOCIATION

Mrs. Iris C. Jackson, R. N., President, Kinston

The Lenoir Memorial Hospital School of Nursing Alumnae Association meets on the last Tuesday night of each month, except during the summer. Our Alumnae Association has had a full and fruitful year, having as our goal the re-opening of our school of nursing.

We have 21 paid members, with 18 being active. This includes three associate members.

Other officers for this year are as follows: Mina Ruth Miller, First Vice-president; Frances Cauley, Second Vice-president; Imogene Casey, Secretary; Ada Gray, Treasurer.

Our programs have included a film on "Skin Grafting" by Dr. Payne Dale; a discussion on "Life in West Berlin" by Joe Hamilton, a German exchange student; a lecture and film on "Diseases of the Larynx" by Dr. J. C. Peele. Dr. Jean Smith lectured on cancer and its control. Biographies of composers and selections of traditional and modern music were presented by Mrs. M. A. Marshall.

A Christmas party was held instead of the December meeting.

Some of our activities have included a tea in February for the purpose of introducing our new Director of Nursing, Mrs. Mary Bellinger.

A Recruitment Program was organized in March, and contacts were made throughout the area by way of high school principals to encourage recruits for our school of nursing. In April prospective students were entertained in the Nurses' Home with a film on "Nursing" and a social hour.

We gave \$25.00 to the Student Nurse Fund as a memorial to one of our staff members.

A family outing was held in June instead of our regular meeting.

A wiener roast was given in honor of our new group of student nurses at the home of one of our members.

Our goals for this year are to encourage larger membership in the Alumnae and the District and full support of our hospital and training school, now that it has been re-opened.

JAMES WALKER MEMORIAL ALUMNAE ASSOCIATION

Mrs. Agnes Kondracki, R. N., President, Wilmington

The James Walker Memorial Hospital Alumnae Association, with a membership of 40, has had monthly meetings during the year except during the summer months.

The activities and projects of the James Walker Memorial Alumnae Association are as follows:

The new students of James Walker were entertained at a tea in September. In November a Stanley Party was held as a fund-making project. A Christmas gift was given to the student nurses, and a needy family was helped with gifts of food and toys. In March another Stanley Party was held.

In May the Alumnae Association presented a scholarship award pin to a member of the senior class at graduating exercises. Also in May, the Alumnae Association joined District Twenty-two in giving a banquet in honor of the 1957 graduating class. China plates with a picture of James Walker Memorial Hospital were given to the students of the graduating class.

During the year the members of the Alumnae were remembered during sickness with cards and flowers.
